Pat.

Great to catch up.

Thanks for our call this morning and your follow up email on this time sensitive matter that we hope to resolve today with your Guidance.

Per our discussion—I will send out a call in invite for 2 Central. I hope Paul Marshall can participate at that time. If not, then please propose an alternative time today.

I am also inviting the SC Attorney Justin Vondrak who is ccd above.

We will circulate BOE's proposed solution and related operational improvements to all of you prior to our call.

Best, Bill
